### **Graduate Student Supervision**

1. I have supervised twenty-one completed Ph.D. Dissertations. Four other students for whom I was the major advisor on research (Ellis, Matheson, Rempel & MacDonald) completed their Dissertations with other supervisors during my sabbatical years. Twenty-two of these graduates are pursuing academic/research careers at the present time (some with considerable distinction, such as Dale Miller at Stanford, Mark Baldwin at McGill, Sandra Murray at SUNY Buffalo, and Ian McGregor, York University), while three others have adjunct positions and continue to publish.

#### Recent PhD Graduates and Current Academic Position:
